The commonwealth has added @pa.gov as the primary email domain for all state employees. My email address will now be sbrokenshi@pa.gov. The email addresses ending in @state.pa.us will continue to function so that emails will never be interrupted. We appreciate your cooperation as we take a small step to increase the usability and consistency of the commonwealth's online communications.

Stephen & John -

First, apologies for sending out the schedule for next week with the wrong title on the email (week of 23rd) - the emails were sent on 1/25 at 1704 and 1915 -

That email (as I am sure you are already aware) was referring to next week's schedule. This message is to confirm that the schedule is **UNCHANGED**. The two residents that we had to reschedule for this week have been scheduled again to the week after next, so the list of residents and times have not changed since I sent the email on Weds.

Thanks much - Ann
